“ Dear Diane and family I am so sorry to hear about your loss. Mr. Brooks was a very sweet man. I work at Ryans and he would always look for me to make sure that I had a table for them. I took time off for Easter and when I returned I was told the very sad news. Diane I wish that I could of been there for you. My deepest sympathy, your friend, Elaine

“ Today is probably a hard day for you. But think of how happy things will turn when you think of the fond times you had together with Mr. Thorton. And also there is a hope beyond death when Jesus calls and all those in his memory will come out just as Lazarus did. For now he is resting until that time comes.
