“ My mom, Cheryl was married to T.J.'s uncle Jeff from 1982-1986. Laney, Dan, and T.J. are the only boy cousins that I've ever had (Adam too). I've always treasured the memories of playing and holidays. We played Star Wars and always had a great time. T.J. was the baby, so that made him extra special...He was SO sweet and such a cutie pie. I remember when they lived in Pensacola, FL and they had the most awesome playroom. We'd play in there for hours! I regret having lost touch with everyone. You'll all be in mine and my mom's prayers. Luv you T.J.!

“ Death is a heartache no one can heal. Memories are something no one can steal, some may forget that he is gone, but we will remember, no matter how long. Gone is the face we loved so dear, silent is the voice we loved to hear, but his smile will last forever and ever. To the family of the late Mr. Timothy "T. J." Adams we extend our most sincere condolences. We will miss Tim so much. He had become a part of our family while here in Valdosta and continued to be even when he moved back to Albany. There are not too many people you can find as loving and caring as Timbo. He was like a younger brother in our family always there to offer a word of advice or just hang out with. Color was not an issue with Tim which made him even more special!!!! Tim WE LOVE YOU!!! May you rest in peace!! The Fountain and Lane Family's
