“ *So sorry to hear about your loss. Nothing can really fully prepare us for the loss of a loved one. But we can find comfort when reading the Bible, Psalm 34:18 says “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit.” As one of Jehovah’s Witnesses I try to comfort others and I hope I have done that for your family sorry for your loss. charliesibley@aol.com*

“ I went to Jacob G. Smith elementary school with Tim. His mother was my fifth-grade teacher. We both ran for secretary of the student council; Tim was elected:) Tim was an awesome person and will be missed. I enjoyed his posts on Facebook. Your family is in my thoughts and prayers.

“ Dr. Currie was a joy to work with. From the first time I met him, he always seem like he had known me for years. He was always smiling and joking and he loved Marie so much and it showed just by him talking about her. RIP Dr. Currie.

“ Dr. Currie and I worked together for 10 years for Xerox at Albany Tech and he was the best co-worker, friend and adopted grandfather I could ever have had the pleasure to know in my life. Dr. Currie was an inspiration to me , so encouraging and loving. I appreciate all the knowledge he shared with me . I adored how much he loves and cherish Mrs. Currie but I can go on and on about how wonderful he is but if you knew him you know what type of person he was. Dr. Currie was a great man and I will truly miss him.
