“ *I didn't know Mr. Dozier, but I do know his daughter, Kim. She loved her daddy so much, and often spoke about him. She is such a good friend to all, kind, thoughtful, giving. It sounds like this is an attribute she learned from her father. Hugs and prayers.....*

As a 10 year old my Dad and I bought my first baseball glove from "Brother " and we've been fond of each other ever since. What a fine gentleman and great sportsman.
