“ Toby was such a special friend and co-worker. Whenever I needed to reach her,I usually could find her by calling "T J Maxx". You could always count on Toby for advice, and just friendship. I will truly miss her, but knowing that she is now back with her Mom and Dad, and Kitty, makes her being gone from us, a little easier.

Want you and the family to know that you are in our prayers. Toby was a good friend, a good soldier, and a hell of a country politician. We're sorry we couldn't attend the funeral.

“ Penny, Sandy, Jean, Angel, and all other family members,

I am so sorry to hear of Toby's passing. She had such an infectious zest for life that radiated from her smile to all of those around her. I hope you all find comfort in the fact that she is now in the loving arms of her Heavenly Father along with other family members.

I often ran into Toby when shopping at T. J. Maxx. I think we shared an addiction to this store! I will forever think of her and smile every time I walk through those doors.

My heartfelt sympathy goes out to you and my thoughts and prayers will continue to be with you all.
