“ Tommy was a great guy and a mentor in my youth. I am sorry to hear of his passing. The entertainment world lost a good one. I remember Tommy telling me over and over, "stay in production and you will make a living. Play music and you will starve." He was right. There are plenty of gigs on the other side I'm sure. Hope you are doing ok, Selwyn.

“ My heart is SO broken! I was reminiscing with a co-worker about Tom. Sharing stories of crazy things that have happened to us, and Tom was one of those "crazy stories". I was a Hooters Girl (about 14 years ago) and Tom just showed up one day, and became my best and favorite customer. Long story short, he sent me and my best friend to a Britney Spears Concert, front row seats, and a group of my friends to an Aerosmith Concert. He was always inviting us to his Lake House, always had his arms wide open. Such a funny fella. I'm so sad to hear that he's not here anymore, truly breaks my heart.

I'll never forget you Tom, I've made lifelong memories with you!!!

“ I spent one summer in Albany GA with my then boyfriend who was playing with the South Georgia Waves (Dodgers). I met Tom at a place I was working & my life was forever touched by his kindness & free spirit. We spent a lot of time that summer at his home on The lake & I have tried to contact him in the last few years. I'm on vacation this evening, just reminiscing with my brother who was accepted with open arms by Tom (as was every friend who came to visit me thst summer in GA) who took us all out on his boat into the canals & jumped into the water to retrieve small alligators to show us his "no fear" attitude which was endearing and crazy at the same time. Even once I went back to WV, I stayed in contact with Tom for years. He even surprised me with Creed tickets for me & a few of my friends several years after my summer GA. I just want to say that I think of Tom with a smile on my face & have years since we lost contact. I scoured the Internet tonight looking for him...when I saw the picture on this obituary, I knew it was him. In my heart, I knew he was gone & i cant explain it...i just if he hadnt found me - he was gone. I miss you friend. You were selfless. You were my friend. I miss you & I will see you again. I thank God I had the chance to meet you.

“ I just found out about Tommy's passing tonight. Although it has been years since I was a part of Tommy's life it was a shock to learn that he's gone. My heart breaks for his dear mother who was always so kind to me. That's probably the last contact I had with the family was with Mrs. Haire when Mr. Haire, Tommy's dad, passed away. I'm not sure how to feel but even though Tommy and I parted ways I never wished him anything but happiness and success all these years. Okay, maybe in the beginning that wasn't true but time heals all wounds and I think we both moved on with our lives the way we were meant to. I know all Tommy EVER wanted to do was work with bands, anything in the music industry and it sounds like he got his wish. He was passionate about it and it's nice to see he never gave up on his dream. So though our lives took different paths I'll always remember that senior boy who held my hand and treated me like a lady when so many others did not. I hope and pray that Tommy was at peace and may his family also have peace one day and remember only the good times they had as a family. I am so very sorry for your loss. Love Always, Kathy

“ Tommy and I went to Riverview together many moons ago and shared a few classes and study hall with him. He was a big fan of Three Dog night in those days and always talked about the bands and going to just about any concert in GA. Little did I know at the time that he would parlay that love into a career. He took great pride in his success with helping Creed become superstars. He had some great baseball memorabilia at the lake house and spoke foundly of playing the game back in the day. We will miss you Tommy and PS I am still waiting on those JT tickets!

I know they are hanging out together now and watching down on us! God bless Tom's family! You all will certainly be in my prayers!

“ Bailing out of the red Tahoe into the watermelon fields to grap us 2 ripe watermelons, or always making us feel welcome in his home, to just talking to him, you couldn't help but have a great time with Tom. And while I always had a blast hanging out with Tom the thing I remember the most about him is his golden heart. From helping a newly wed couple out with rent, to always being able to get those concert tickets, to waiting anxiously for Christmas because we never knew what kind of great memorabilia we would get from him. The list goes on. He was a big man with an even bigger heart! I can honestly say the world was a better place with Tom around. Thanks for all the memories Tom.

“ Big Tom was a great man with a huge heart. We had many good laughs together and my son Caleb loved going swimming at Tom's house on the lake. Caleb loved the boat ride on the lake Tom gave us. Tom always treated my son and I good. Caleb would ask me "Where's Tom?" all the time. We will miss him a great deal. Tom will always be my friend. My thoughts and prayers go out to Tom's family. Rest in Peace Tom.

“ I read Tommy's Obituary with great sadness. He became a friend shortly after we started Flint River Harley-Davidson and purchase several motorcycles from us. He was a frequent visitor in our stores here in Albany and in Tifton. My wife, Bonnie and our sons Chad and Doug join in sending our prayers and condolences to Tommy's family on the loss of such a wonderful young man. He was always upbeat and a real brightspot in our lives.

“ My deepest sympathy and prayers are with the Haire family. Tom had been a friend of mine for over 10 years now. We met at Lake Blackshear. We more recently got to know each other a little better, when I was living down the street from him. I recently moved, and Tom and a friend of his, helped me move some stuff. I never saw Tom without a smile on his face, a kind word to say, or a shoulder for me to lean on. I always thought of him as my Great Big Cuddly Teddy Bear. I will miss him greatly.
