“ I didn't even know you were dead. I forgive you for what you did to me...you were stuck in a small town and people love to talk....but for what it's worth...I forgave you a long time ago... because I got away. I got to live my life. Seeing your death makes me all the more sure I did the right thing. I tried to get you help...I tried in 2000 to stop the madness going on and u turned against me and stole from me....and ruined my life in Albany...I forgave you a long time ago because u were sick. I couldn't fix anything because I was sick too....I am alive and thriving now because of you. What you did was meant to hurt me...but it changed my life forever. Thank you. I am sorry your life ended too soon....but you did change people's lives for the better...I didn't realize how badly you suffered...”

“ My deepest sympathy goes out to Tony's family in such a difficult time. Some of my best memories and most fun times involve Tony and riding around in that white volkswagen convertible. He will always hold a very special place in my heart and my memories. He was such a sweet, generous, and kindhearted person. My heart goes out to Taylor. Please know that your father was a true gentleman.

“ For Taylor

*You can shed tears that he is gone,
or you can smile because he has lived,
You can close your eyes and pray that he'll come back,
Or you can open your eyes and see all that he left.
Your heart can be empty because you can't see him or you can be
full of the love you shared.
You can turn your back on tomorrow because of yesterday,
or you can be happy for tomorrow because of yesterday.
You can remember him and only that he's gone,
or you can cherish the memory and let it live on.
You can cry and close your mind, be empty and turn your back,
Or you can do what he'd want smile, open your eyes, love and go
on.*

*We are so sorry for your loss Taylor. We know your Daddy loved
you very much. You and your family are in our prayers.*

With love

“ *POEM FOR A LOVED ONE: To Those I Loved and Those Who Loved Me - When I am gone, release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears, Be happy that we had these precious years. I gave to you my love, you can only guess how much you gave to me in happiness. I thank you for the love you each have shown, But now it's time I traveled on alone. So grieve a while for me if grieve you must, Then let your grief be comforted by trust. It's only for a while that we must part, So bless the memories within your heart. I won't be far away, for life goes on. So if you need me, call and I will come. Though you can't see me or touch me, I'll be near And if you listen with your heart you'll hear, All of my love around you soft and clear. And when you must come this way alone, I'll greet you with a smile and say, welcome home.*

Tony will be missed by many, including myself. My thoughts & prayers go out to his family.
