“ *I was one of the nurses who cared for Mr. McCraney at the cancer center at Phoebe. I am now living in Michigan and was sad to read about him in the paper. My thoughts and prayers go out to all of the family.*

“ *I miss so much seeing Mr. McCraney next door sitting in his chair. He was the kind of man I always had hoped to have for a grandfather. I never knew any of my grandfathers. They all passed before I was even born. I guess I feel that I have lost a part of my family with his passing. He was very special to me and I'll never forget his kind, gentle heart. I really wish that my son could have known this great man.  
All my love to his family,

“ Uncle Travis meant so much to me when I was growing up. He was what any man would want to be. I will always remember him, thank God for him, and I'll smile.
