*Troy, as I remember the times me, you and friends rode horses, we traveled through many back country roads, fished at the flats, we had such fun, you were truly a very special brother. After you moved to Texas it was truly a hardship to get there due to me and family working , but, we did communicate occasionally.....you would come home to moma's for Christmas and you would be Santa for the evening..... You always tried your best to watch over us all. "You were my forever big brother".
Your loving sister,
Libby Merritt*

“ I was deeply saddened to learn of Troy's passing. My thoughts and prayers are with the family. I am very glad I had the opportunity to work with Troy. Not only was he one of the best mechanics at L-3, but he was the kindest person I ever met. I remember how much he was devoted to his family and it touched me to see it. We have lost a very wonderful person. He will be terribly missed.

“ To the Douglas Family,

I am so sorry for your loss. I remember ball games @ Magnolia School campus where all the neighborhood children met and played, sometimes all day long. I think back to me and Sarah being picked to even the teams of the boys playing ball and smile. I pray that you all will find comfort in the Lord during this difficult time.
