“ *Debra and family, we are so very sorry to have heard of your loss. Your mom was one wonderful lady who loved God, her family and her church family. I loved her visits when I worked in the church office when she would come up there to prepare for her Sunday School lesson and we would just talk about different things and laugh about other things and then she would be off to her Sunday School room to get everything ready for that Sunday. She truly was a "one of a kind" woman. Our thoughts and prayers are with you and your family during this difficult time.*
