“ When my husband & I joined Covenant, I was assigned to the women's circle that Valeria was in. What a great blessing for me! I met & was taken in by a group of women that had been friends for years. I learned & loved & cried & laughed with those women over the next 10 -12 years. Valeria was one of those women. I won't ever forget her wisdom, sweetness, strength & kindness. When I make orange toast or pimento cheese, I always think of her. I am blessed to have had the privelege of knowing her.

“ I am so saddened to hear of Valeria's passing. I dearly loved this sweet lady. She played the piano for the children's Sunday School classes whenever I was one of their teachers. Truly one of those precious Christian women that means so much to so many! Peace!
