“ Valerie was a one of a kind person. Her smile could light up any room she stepped in. Her voice was very calming. She had a brilliant, creative mind, a huge heart and she was the picture picture example of how everyone should be. I've only known her for roughly 5 months..but I will always cherish and remember every minute I spent with her in person, every phone call we had & every text we sent. I'll always love, miss & remember her.
