“ *Dear Charles, Stokley & Family,*
How sorry I am to learn of Veda's passing but what a wonderful way to go home being Easter time. I can not begin to tell you all the talks & laughs Veda and I shared over the years after I first met her at First Free Will and onto volunteering at PPMH. She was truly a hard worker. I could always depend on her to get the patients' newspaper and mail out in such a quick time. She had more energy than a 5 year old. I cherished all the rooted plants Veda would share with me and advice she gave me on how to take care of anything that grew. I hope peace will be with you during the dark days ahead. I encourage you to keep the memories alive just as I will do so also. You are in my thoughts and daily prayers.

I am so sorry to hear about the passing of your mother. Actually I did not know until last night. You all will be in my prayers. Your mother lived a good life and was very Faithful to her Lord. However, it must still be hard to lose her. She is in a wonderful place now. Again, my thoughts and prayers go out to all of you.

“ Miss Tison, as we all called her was a friend to all of us "northerners". She always greeted us with open arms. I'm sure she will do the same in heaven when she sees my Father and Sister. She was so good to Stacey and I thank her for that. She will be missed.
