“ *Though it has been years since I'd seen Miss Vera, I have always remembered fondly the times when her house was the teen hangout. I have thought about those days over the years and those memories are some I have and will continue to cherish.*

It was so good to see each of you, even in this difficult time, since it had been such a long time, yet my heart goes out to each of you in the loss of your mother and friend.

May Gods richest blessings follow each of you in this time of remembering and healing.

Sincerely,

Buddy Bruce

“ Nanny was the only grandmother I ever had. She taught me how to eat fish and how to love her greens. Nanny also taught me lots of lessons just by being her! I will miss her deeply. I love you, Nanny.
