“ *Estol & Beth, Janet & Don, Ms. Belflower was such a precious lady to our family. She was our next door neighbors for years and our little boys who are teenagers now loved to visit her and look at her pet rabbit. She always made us feel special and welcomed in her home. We are sad to know she is gone but we have such happy and fun memories of her. May the Lord richly bless you all.*

“ *Mrs. Belflower was a member in my class at the YMCA (Jump Start). I was there for two years and seeing her every week always made my day. She was a brilliant and beautiful person with a lot of spirit. I will miss her dearly. Knowing her for the short time I did has made such a wonderful impact in my life. Should you need anything, please let me know. May God bless your family through this hard time, and for many years to come.*
