Dear Carolyn, John, Jim & Families,

Will always remember the good times we had with Mom & Dad when you lived on Long Island. One time we all went to Bethpage State Park for a picnic, Jim you were about 18months old, Mom sat you on the picnic table put a bunch of grapes in front of you, you stuffed so many in your mouth you couldn't chew them. Loved your Mom she was like a sister to me.

My heartfelt sympathy to all of you.

Love, Kay Juner
