“ Dear family
Be happy for Mr. Rob; he has his tennis partner back now. What dear friends Ginny and he were. We shared so many wonderful moments with them. You could not have had two better parents. Mr. Rob was the best boss Helen ever had. And Paul spent so many hours on the tennis courts with them. They were both special people that don't come along that often. We ask that God strengthen you in this time of loss and help you remember all the good times you had with Ginny. Our prayers are with the family.

“ Paul , I am so sorry for your lose. I have known your family all my life. You and I have been friends since we were in grade school. Your mother was always so nice to me when I would come over . She was always at first Methodist every tme I was there. Know that she left a good christian mark on this world Paul. And the world would be a much better place if there were more like your mother.
