“ *Virginia and Carl were our back door neighbors and such kind friends. They loved our children and our dogs and I Virginia was one of the most lovely women I have ever met. Our prayers are with the family during this difficult time.*

“ *Mrs. Myers was such a lovely woman. She taught me how to swim at the Elks Lodge when I was a little girl, and I had the privelege of living across the street from she and Mr. Myers for a while and got to enjoy many visits with them. Carl ("Uncle Pie") and Ginger and everyone in the family, you are in Buster and I's thoughts and prayers.*
