“ *Vern, I have just learned of Vivians passing, our loss is heavens gain. I will always remember her ready wit and ability to smile (and make others smile) no mater what the problem. I will also fondly remember "our" talks as you, Vivian, Bruce Pate and I prepared the first-aid building each early afternoon during fair week, and the after the meeting meetings of the rescue team. Please know you are in my prayers and have my most deepest sympathies. Vince Corcoran (47-13) Fmr. Mem. Albany -Dougherty County Rescue Team.*

“ Vern,

Mere words cannot describe my feelings of loss, and how I will miss Vivian. She was one of the most good natured, sweet, and kindest people I have ever known. I still have her last email to me, telling me of her impending surgery. I answered, not knowing that she was gone. I will cherish that last email. I will always remember our "eating' meetings" with the Worth County Vol Fire Dept., and the Fire & Worth EMS calls that we ran together. You guys would always show up when the going got tough, and Vivian would always be there with a helping hand. She was never afraid to get "down in the trenches" when needed. We had scads of fun working the DoCo Exchange Club Fair, and all of our Explorer Post campouts at the Camp Osborn Boy Scout Camp. She was always there, ready and willing to teach, mother, and help with all of our "youngins" in the Explorer Post. You are both incredibly special people and have touched so many different lives. I will forever cherish her sense of humor, and her quiet and strong nature. You never know when will be the last time you see someone on this earth, and I will always cherish that last supper we had together in Albany. We love you and Vivian and she will be missed always. I will never forget her "It's my PERSONAL OPINION!! We had SO much fun with that statement. I still use it to this day, and always remember her when I do. Thank you for sharing her with me for all those years.

George & I follow the "Red Road" out here on the Hopi Rez in Arizona, and we will be burning cedar and offering our prayers to the Creator at the time of her services in Albany. We will always remember her in our prayers from now on. I know that you are surrounded now by all of the Rescue Team members, and all of the Fire and EMS folks from Dougherty and Worth County. Vivian was "one of ours", and will always be remembered with the love and caring that she gave to all. May the Creator keep and hold you both in his loving arms, and know that one day you will be re-united in love and peace. My love will always be with you.

“ Vern,
Please know that you are in my thoughts and prayers. I will truly miss Vivian, but I find comfort in knowing that she has gone home to the most magnificent place there is and that we will see her again. St. Francis'(The Patron Saint of Animals)has probably already reunited her with all of the animals she loved so dearly. If there is anything I can do for you, please let me know.

“ There are no words that can do justice to the description of Vivian. No children of her own but she was "Mother" to so many. I am honored to be one of many whom she called friend. There is a huge emptiness now where she once occupied. Our loss is heaven's gain. Vivian, you will NEVER be forgotten and for all eternity loved. Rest in much deserved peace.

“ Vern, you and Vivian have been there for so many young people, as we grew up and became adults. You taught us many things and shaped the people that we are today and the things we will do tomorrow. You are both such special people and have touched so many lives. We love you and Miss Vivian and she will be missed by us all. Yet, she will remain in our hearts and memories as we continue in our lives and she will continue to touch others through us. “ Vern, there are no words to express how sorry we all are and how much we will miss Miss Vivian. We all grew up with her, loved her, and respected her. She taught us all about professionalism, hardwork and life. And you both served as an inspiration to all of us. Her smile was beautiful and her hugs were warm and wonderful. She lives on in us with each memory we cherish. We love you and you are always in our prayers. Love, James and Katrina Camp

“ Vern, I'm so sorry we are so far apart. You know that we would be there with you otherwise. You and Vivian always reminded me of Barbara and I, always together, working and playing together. She was a fine lady and an inspiration to be around. Her smiles would always bring me joy.

I can't imagine your loss, I only hope that maybe some day you will come out and visit us, here in the TX Hill Country! You have an open invitation anytime. You are in our prayers and will continue to be there.
