“ *We send our love and sympathy to Walda's family. Lillian is Walda's aunt, Henry's yougest sister. She is 90 years old. Patsy is Walda's first cousin. Walda was very special to us. I have also contacted Walda's Aunt May Dorman. She will be 95 in April. She also sends her love. We are praying for your peace at this difficult time.*

“ *Karen and family, I am so sorry to hear of your family's loss. We (Billie, Gail and I) lost our mother in December of 2003 and we know exactly how you feel. May God give you strength and comfort during this difficult time. God bless!*

“ *My thoughts and prayers are with Walda's family. I remember Walda as a fun loving, very caring lady, who adored her family. Years ago, Larry took Katy to visit Walda and Candler in Cairo and for years Katy talked about the 'cathead bisquits' Walda made and fishing in the pond. (I am the mother of Cynthia, Larry's wife) God be with you during this difficult time. Joyce Sherry*

“ *Karen: Your mother is at peace now. I know you will miss her, but you can be content that you did all you could to help her enjoy her last few years. Best wishes, Ann.*
