“ *I have known Terry throughout the years of going to school with him. He was a kind thoughtful and nice fellow. I have recently learned of his passing. I was not close to Terry, but would see him all around school. I will always remember him and his thoughtfulness around classmates. I am so sorry to hear of his passing. You will be in my prayers.*

Sincerely,

“ It is with much sadness that we think of Terry's passing. It did not seem real that day and still does not now. We will miss having Terry stop by in the van to see what is going on and to pass along tidbits of news. He always seemed to know what was happening. He loved working at the polls and will be missed there, too. We have known Terry all his life and his passing leaves a hole that will not be filled.
