“ *My brother, Jimmy, and I were so saddened to read of Walter's death. We sort of grew up together in Chester and our families were friends. I had corresponded with Walter at Christmas time for the past few years and knew that he had moved but did not know that he was ill. We were talking about Walter today and Jimmy said that Walter taught him how to fly model airplanes and held his hands when he flew his first one. And I believe that our Dad got Walter his first job at the fertilizer plant. (I might be wrong) Please accept our deepest sympathy. Anne Bond Peterson and Jimmy Bond*

“ Cindy, Lisa and Family. My prayers to all of you on your loss. Uncle Walter will be greatly missed. I was so happy when him, Mary and Myron came down that Christmas for a reunion with Daddy. It was so nice to see them all together and I'm happy I have the pictures to remind me.
