“ *Dear Jennifer, I was passing through Albany yesterday and tried to reach your home, only to learn that Walter had passed away! Given my thoughts and admiration for Walter, I am ever feeling your loss and now mine. Please know that my prayers of condolences are with you, the kids and rest of the family. I thought of Walter like a brother! Our time together at DFACS was special to me. He was an awesome advocate for children, youth and families exemplified by the awesome modeling within your own family. Walter will remain a dear friend in memory. If you have a memorial at a later date, I would like to be invited. Sheila Joyner-Pritchard, MSW, former State ILP Project Director*

“ Jennifer-We are so very saddened and sorry to learn of Walter's passing. Chad, as do we, have such good memories of church basketball when Walter was coaching. We also enjoyed our baseball ventures. Walter was always a giant of a man, but so gentle and soft spoken. I'm sure Heaven is an even happier place now with Walter there. God comfort you and your family!!

“ Sista,
I just learned about your loss. Walter was so funny and always gave me a hard time. It was always obvious how much he loved you. And you always worked hard to take care of him. I am so sorry I did not know sooner. Please know you are in my heart and prayers and greatly loved. We will talk soon.

“ I had lost contact with Walter for many years and am very sad to hear of his passing. He was dear to our family - very regularly visiting my parents in Huntsville when he lived and/or visited there. My mother was a Pitman and she cherished contact with family from that side. It sounds as if he had a wonderful life after I last saw him. My condolences to the family.
