“ *Kay and Laura I am so sorry to read about your brother. Death is a very painful experience in itself but it is made doubly hard when the person is as young as your brother. The good news is that death does not have the last word, God does and He promise's that all those in memorial tombs will hear his son's voice and come out. (John 5:28,29 and Acts 24:15)*

“ *Kay,Walter,Laura and Families, Please know that you all are supported by my thoughts,prayers and love at this most difficult time. I have a million wonderful memories of your sweet family; certainly Bubba's dry wit and keen observations on life charmed us all! A true original, He will definitely never be forgotten.*
