“ *Hubert was a true friend. I followed him everywhere at Sears. When he ran the paint department, I bought paint from him (and always looked forward to it). When he ran the automotive center, I bought my automotive tires and batteries from Hubert. When he had catalog sales, I knew I had a friend who could straighten out any problems. That was Hubert, the guy you could always count on to be on YOUR SIDE!*

I always looked forward to renewing our friendship at class reunions. I sat with Hubert and Wanda more times than I care to let be known. He is missed because I've lost a FRIEND!

I look forward to our NEXT REUNION Hubert!

“ I was very saddened to hear of Hubert's passing today. I worked with him at Sears when I was in high school and he was always very kind to me and encouraged me to do well in my studies. Later, after I married and had my two sons, he was always so genuinely excited to see me and the boys and I will miss him. My prayers and thoughts are with his family.
