“ *Although we hadn't seen each other in couple years, you've always been in my thoughts, prayers and heart. We've been thru so much together in the 38 years we've known each other. I consider you one of my 3 life long, Best friends. I'll always remember Pizza Slut (as we called it), IHOP, Bananas (Jody Red Feather), Picnic Pizza, Dennys, cops (our secret). You were there with me when I got married and there for me when it ended. You and DW behave until I see you 2 again - I know someday I will. You always teased me after your birthday for 5 months because you were "older".*

*Love and Miss you. R. I. P.*

*Prayers and my love to the family*

*For the past twenty years, Wanda and I have shared a precious, beautiful granddaughter, Leslie. Wanda was a dear loving grandmother (Grandma) who enjoyed spending time with her grandchildren. She possessed a witty sense of humor and great inner strength. She loved her family, dogs, and craft making. Years ago I bought an adorable daushund puppy from her. May God bless Wanda's family and give them comfort and peace. My thoughts and prayers are continuing for her family.*

*I love my Grandma so much. She was creative and fun to be around. She loved Logan and me and loved to share pictures of us to everybody. She liked playing Candy Crush and eating at Mama Gina's restaurant. I will miss her so much, but am glad she is free of her suffering and pain. I will see her again in Heaven one day. Her loving granddaughter, Leslie*
