“ Loy, I was so sorry to hear of your father's passing. I can only imagine the sorrow you and your family feel right now. A father is such a precious gift. I hope that your fond memories and love for him will comfort you during this time. He was such a kind and loving man. I remember seeing him while we waited for the school bus so many years ago! It seems like just yesterday. I wish you and your family much love and peace as you grieve your loss. But know he is smiling upon you-today and everyday. Please remember that this separation is only temporary as you will see him again someday.

“ Butch was in my "class" of District Presidents (I'm from Rocky Mountain District) for Exchange back in 1994-95. He expressed then the fulfillment he had in life from being of service through Exchange and I know he performed many acts of service for which he will be blessed in the hereafter. It was a great pleasure to be associated with Butch through that great organization of Exchange. He will be greatly missed. May God's blessings of comfort be poured out upon you in this time of sorrow.
