“ *wow..wesley...he was just wow. he was so crazy and out there. i loved him. he was so wonderful and hilarious. he will always be missed. my deepest sympathy goes out to his family. i know he missed...not only by me...but by everyone who knew him. even if he only talked to them for 5 minutes he changed their lives one way or another. he was the greatest friend ever. he made me smile every time i talked to him. i remember playin pool with him and he would always make funny noises or make me laugh to distract me. he was crazy and i loved him...*

“My prayers go out to the Beaver family, Wesley was one of my best friends and I loved him dearly. He was honestly the sweetest guy I have ever met. I will never forget going to him w/ my problems and him helping me out and also him trying so, so hard to teach me to play pool. Im going to miss him dearly, and cant wait til the day I see his smiling face again in heaven.

“ Thankyou everyone for your kind and thoughtful words. My brother Wesley was an amazing person! Sure at times he was the aggrivating little brother, but he has touched my heart in so many ways. Words cannot express the love that I have for him and how badly I am going to miss him - it takes my breath away at the very thought of living in this world without him. We had so many plans to go and do so many things this summer! He was so much more than a brother to me - he was my best friend. He was always ready to help me or take up for me and play with my baby that will never remember on her own just how much he adored her! But, I find great comfort in the fact that he is no longer in pain and that he is not sad. He is in a place of such great beauty that we cannot even begin to imagine. The best part about it is that I will see him again - it may be years and years but that to me is comfort and gives me hope. Please all of you do not remember my brother in reference to the tragedy. Remember him for the light-hearted, loving sweet spirt that he was- always ready to help and please. I know that many people are very upset by this occurance as am I, but I have no room in my heart for hatred. I believe that God will be with us holding our hands through this gruesome process. Please continue to pray for my family as well as the truth and justice to prevail.

“ Hello. I am Jamie McConnell's mother. Jamie was friends with and went to school with Melissa. I am Jimmy and Janice Morrell's daughter and I went to school with Melanie many, many years ago. My mother, Janice, has fond memories of you all also as she remembers selling you a home way back when. I just wanted to express our sympathy to your family. My heart is broken for you. I remember Wesley from times that Melissa would have him and his brother with her when she stopped by our apartment. I know how she loves her brothers. Please know that you are all in our thoughts and prayers.

“ *Dear Family,
Although you may not know us.
We live on Carillon Ct, right off Springlake Dr.
Chasity & Wesley rode the bus together, and our youngest rode with Nick.
I remember Wesley coming by year after year collecting can goods for his church.
He was always very polite and sweet as he could be.
I also remember him coming into the shop where I work and buying outfits for his new little neice, I remember thinking how thoughtful he was for doing that.
There has not been a day that I've not rode by ya'lls former home on Springlake Dr., thinking about your tragic & senseless loss. May God Watch over your family!*

*Everyone in Lee Co & Everywhere are praying for you,
