“ Wes was always one to make a joke and keep everyone laughing. He was such a caring person and always lent a helping hand when needed. He had a way with kids and Morgan became immediately attached the moment she met him. He introduced me to Brent, and for that I will always be thankful!

*Rena, Greg, and family,  
My family and I are praying for your family so much right now. I wish I could be closer to give you a hug, but I want you to know that my thoughts are prayers are with you through this difficult time. Much love and hugs from Texas.*

“ You will always be in mine and Hannah’s hearts! We loved you with all our hearts . Thank u for all u ever did for us . You were our family and Hannah’s step dad and she is missing u as much as I am. Will cherish all our great memories and wonderful times we had together ! It’s breaking my heart to know I will not have u in my daily life . We talked everyday even if we didn’t see each other . You were an amazing man and hard worker and always helped anyone that needed it . U always made me laugh and would cheer me up if I was sad. Darling God has a wonderful Angel in you now. I will be waiting for the day I get to see u again .
