“ I love you, Mom !
I am so very thankful for having such a loving Mom and Dad. We miss Dad so much, but find peace and comfort knowing that two great loves have been reunited in their heavenly home. Please continue to watch over our family from above and guide us to do "good deeds". everyday, until we meet again.....
God's Peace be us all for evermore.

“ Deane, my thoughts and prayers are with you and your family. I know how much you loved your Mother and that you greatly miss her. The extra time you had with your mother is something that will always be with you and hopefully as time passes you will remember only the good times.
