“ *To Mrs. Hazel, Mrs. Brenda, and all of the family of Mrs. Willene, I was so saddened to learn of the passing of such of sweet, wonderful lady. She always had such a good time in group activities on Unit 4, especially when we had our gospel sing-a-longs. She also always enjoyed the various people who would come, during my employment there, to perform for the residents. She loved to laugh, she loved to sing, and she loved to reminiscence about how things were done "in her day". Everyday God calls home angels. He called one home on May 29th when He call Mrs. Willene. May the Lord bless and keep you in this difficult time.*

“ *I always have admired you and as I got older with my family visited as often as I could. I guess there is never enough time and know you are with many of our loved ones now that you are in heaven. Give a special hug to my dad William (Bill) and glad you told me the story about him gluing himself to the horse so he wouldn't fall off. Tell my sister Debbie I miss her so much and remember the time you pierced her ears and she fainted? Well you did it and you are a strong woman. I know Your husband, my Uncle JB, has been waiting patiently for you but he knew you needed more time on earth with your precious children and grandchildren. And of course please group hug with My daddy, sister and uncle JB my Aunt Jenny and Uncle Roy and their parents as I miss you all so much. You have many family and friends and are a crown jewel of an Aunt to me. I love you forever and forever!! Mama said you are the nicest one of the bunch!!!*
