“ *I enjoyed many years of having Willene & Nelle Sceals on our Golden Key trips, and attending our seminars. I visited Willene during her many visits to Phoebe, and know she has suffered long trying to hold on to every hope and prayer that something would keep her with us longer. Please know I will miss her too, and if I can ever help please let me know. She was a great lady who I greatly admired.*

“ *My heart aches for the sorrow you all are enduring now, but may God give you peace, that only He can give. My prayers are with you all. I know the heartache of losing a mother. We are never ready, but we can be thankful we had great mothers, and that God has given them rest and freed them from pain. I attend Beacon Baptist and though I never met your mother, I have heard numerous wonderful things about her. God bless you all.*
