“ Vicki, I am so sorry to hear about your father. You and your family are in my prayers. I already have walked in those shoes. I lost my dad 10yrs ago.

Just remember he is with our Lord and Savior. There can be no better place. Your father will be waiting on you just as my dad will be waiting on me. Sometimes, at first I imagined he was building a house for us, preparing a place for all our homecoming.

Remember all the good times and before you know it you will have a smile on your face.

Remember you are in my prayers.

Take care
