“ Mr. Bill always used to say he was "good and gettin' gooder". I can't help but think today he is "goodest". While it is always hard to say goodbye to special people who have touched our lives like Mr. Bill, we can all look forward to being with him again and being "goodest". My deepest sympathy to Mrs. Nell and all of his family.

“ *Bill and I worked together at APD for many years. I lost my father when I was 11 and Bill taught me so much. There is No doubt he made me the man that I am today. Police officers would say I was his son, so we started calling each other Dad and Son. I am so glad I stopped and talked with him a few months ago while he was working in his yard. I will definitely miss him. He was a good friend.*

“ *William was one of my Dad’s favorite nephews. His nickname was Roman because most of the Turner’s had big noses like a Roman. He was always full of jokes & kept us laughing. Fly high William!!!!*
