“ *My nephew is gone but not forgotten. Will always have memories of his introducing me to his Albany friends as his "aunt", even though I was two years younger. My love to Janelle and all of the family.

“ *I know that my brother, John, has good company today in heaven. He is showing Pete all the best spots. The world is a sadder place for his loss here but it was heaven's gain. Working at the Albany Herald was a PLEASURE because of people like Pete. We were a "family!" I am deeply saddened that my family is smaller today. You are in my thoughts and prayers that God will comfort you in this time until we all meet with him again.*
