“ *Dear Dixie & Family,
How many times we have thought of you during the time Bill was in the Nursing Home and failed to let you know. Bill was very special to us. He would stop by and talk when he was out riding his bike and then the many times we (Betty Jo Pippin and Carleen) enjoyed his company in our early morning walks many years ago. Just know that our thoughts and prayers are with you and your family at this time. May God in His Infinite Mercy grant you the peace, comfort, and strength during these difficult days.
Our love and prayers,
Dub & Carleen*
