“ *Billy Bill my brother,*

*I can't freaking believe it man. It will be five years since you were senselessly taken away from all of us in June. It still feels like yesterday sine we all got the heartbreaking news that you were gone. I want you to know that I love you and I will always miss you. You will be with me every time I step on to that stage to play the one thing that we both loved...music. I use your microphone to this day that you left me when we were in Angelz. Every show I do will be a tribute to you my brother. Although the rest of them may have I forgotten I still remember that you were the glue that held us together. I would give anything to see your face one more time. And remember Once an Angel, always an Angel.*

*I love you brother.*

“ Well Big Guy, it's been one year since you left us, I miss you so, much my tears are still run everyday without you. Billy, I feel like I am just going through the motions till I can be with you again. Smokey still waits on her step for you to come home. Every evening at 8:45 is a tough time for me Big Guy. Everyday I meet someone new who says they knew "Billy" and that makes me so proud. I just hope and pray that you're resting peacefully while lookiing down upon us. Billy I sense your being in my presence at some point everyday, I do not what what you do or when you are to do it, but please don't stop...it's one of the few things that keeps me going. Mom and Bean are taking good care of the ol' man and miss you ever so much, oh so much.....Billy you are truly my angel up above. Please hear me when I call for you. “ Billy, was one my best friends. In the short time that I've known him, he and I forged a bond that no one could break. Hell, we all did, Josh, Davey, Joe, Chuck, and myself have all formed that bond with him. And I was honored to have him in the band with me, Joe, Zack, and Jamie. He was my brother, and no one can take that away from me. I love you guys, Mr. Bill, Ms. Shannon, and Breanna. Through you guys, I get closer and closer to Billy. To Billy, Goodbye, my brother, I will see you again one day in the hallowed halls of Smerr Wonderland. Rest in Peace.

“ To the Family and Friends, I knew Billy from Winn-Dixie in Leesburg, he always had a smile on his face when he would wait on me when he was a cashier, then when they moved him to the Deli I asked him if was happier when in the deli and he said he was happier but it didn't matter where he went in the store. I know he was taken from you all so sudden but the Lord knew it was Billy's time. We will all miss Billy very much but, we will never forget him. It's always hard when you lose your parents but, it's even harder when you lose a child. God and your friends and family will see you through your sorrows. Just know there are alot of people who are praying for you all.

“ Klewitz family. I know it has been many years since we have spoken to one another. Billy and our son Chad started on the same baseball team (Dodgers). Chad also worked with Brianna for a short while at Chick-Fil-A Drive-thru. It was a shock to us all when we heard the news about Billy. He will be greatly missed. I am sure there will always be an emptyness in your home, but never in your heart. Don't just mourn his death but celebrate his life. May God be with you and your family during this tragic time.

“ Our family just wanted to say what a fine young man we thought Billy was. Our only contact with him was at Winn Dixie, but he was such a fine example of hard work and honesty to our young boys. We were able to use his kindness and caring to teach some very important life lessons to our sons. Thank you for raising such a fine man. He had eternal impact on many. May God bless you and keep you close.

“ I am so sorry to hear of this tragic accident. I had the pleasure of working with Billy at Winndixie for a little over a year. Billy always had a smile on his face and was willing to talk to anyone he saw. He always came into work with a ray of light shining from him and was always happy to be there. I will always remember on his breaks he would go out to his car and jam to his favorite rock songs, and always tried to convince me that rock was the only type of music. He will be missed. *Your hearts are heavy now from the untimely and tragic loss of your son, brother, and grandson. Even though I never met Billy, I felt as if I knew something of his special nature as grandma (Vera) would often share a special "tidbit" with my mother (Helen) who would then share it with me. From reading all the tributes, it is clear your Billy was a very special young man. May your sadness soon be replaced with loving and special memories.*

“HEAVENS GROCERY STORE”

*I was walking down life's highway along time ago,*

*One day I saw a sign that read, "Heaven's Grocery Store".*

*As I got a little closer the door came open wide,*

*and when I came to myself I was standing inside.*

*I saw a host of Angels, they were standing everywhere.*

*One handed me a blanket and said, "My Child shop with care".*

*Everything a Christian needs is in that grocery store,*

*and all you can't carry, come back the next day for more.*

*First, I got some Patience, Love was in that same row.*

*Further down was Understanding, needed everywhere you go.*

*I got a box or two of Wisdom, a bag or two of Faith,*

*I just couldn't miss the Holy Ghost, it was all over the place.*

*I stopped to get some Strength and Courage to help me run this  
race,*

*but then my blanket was getting full, and I remembered I needed  
Grace.*

*I didn't forget Salvation, which like the others was free,*

*so I tried to get enough of that to save both you and me.*

*Then I started to the counter to pay my grocery bill,*

*for I thought I had everything to do my master's will.*

*As I went up the aisle, I saw Prayer and had to put it in,*

*for I knew when I stepped outside, I would run into sin.*

*Peace and Joy were plentiful, they were on the last shelf.*

*Song and Praises were hanging near, so I just helped myself.*

*Then I said to the Angel, "How much do I owe"?*

*The Angel smiled and said, "Just take them everywhere you go."*

*Again, I politely asked "How much do I really owe?"*

*The Angel smiled again and said,*

*"My Child, Jesus Paid Your Bill A Long Time Ago."*

*This is where Billy will be found helping just like he did on earth.*

“ Billy was more than a cousin he was more like a brother. I believe that most that met Billy befriended him. I don't know how to explain it but he just had a power about him and the fact that he was a really nice person he did not make many enemies. The last time I saw him was spring break and he was pretty happy, his family was pretty happy, and the fact that he's dead almost seems impossible to me. The night my grandma called my mom went to answer the phone. My mom came downstairs and my mom said, "Geoff I need to tell you something, your cousin Billy is dead." I just could not believe it. It just didn't seem possible. I will miss him. Geoff

“ I received this poem when I lost my baby son. They have remained special to me for more than 30 years. I hope they will bring you some peace. God Bless You.

#### GOD'S LENT CHILD

*I'll lend you for a little while  
A child of mine, God said  
For you to love the while he lives  
And mourn for when he's dead.*

*It may be six or seven years  
or forty-two or three  
But, will you, till I call him back,  
take care of him for me?*

*He'll bring his charms to gladden you  
and, should his stay be brief...  
You'll have his lovely memories  
As a solace for your grief.*

*I cannot promise he will stay,  
Since all from earth returns,  
But there are lessons taught below,  
I want this child to learn.*

*I've looked the whole world over  
in my search for teachers true.  
And from the things that crowd life's lane  
I have chosen you.*

*Now will you give him all our love?  
Nor think the labor vain?  
Nor hate me when I come to take  
This lent child back again?*

*I fancied that I heard them say  
Dear Lord, thy will be done  
For all the joys thy child shall bring  
The risk of grief we'll run.*

*We will shelter him with tenderness,  
We'll love him while we may  
And for the happiness we have known  
Forever grateful stay.*

*But should thy angel call for him  
Much sooner than we've planned,  
We'll brave the bitter grief that comes  
and try to understand...

“ I worked with Billy at Winn Dixie about a year and a half ago. He was such a kind and gentle guy. I talked to him often at work. I was so shocked to hear about his passing. Your family is in my prayers.

“ Bill, Shannon, Breanna, Mr and Ms Tinsly : Over the past few years Sherry and I have gotten to know and love your family. It was really neat to realize that before we knew your entire family, we knew Billy.. from Winn Dixie. Through him we had already learned what a great family you had just by his manner at his job. I truly enjoyed discussing WWE with Billy, and we both though so hignly of him. He was a stand-up guy in this world where many his age are not. You have a wonderful son. He was everything that most parents dream of in a child. Kind, courteous, respectful and genuine. Our hearts are truly broken for you, as many are. God Bless your precious family during this terrible tragedy. Patrick and Sherry Barton and family

“ Bill, I am so very sorry about your Billy. You probably don't know but our 18 year old son was killed 20 years ago on a trail bike in a field behind our house, so I feel your pain as I do each time a child is killed.

“ Words, text or otherwise, cannot truly encompass this event or even touch on who Billy is. I repeat, "is." Though the physical form may be gone, the memory and spirit will forever remain.

*That being said, there is naught else to do but speak directly: The impact upon lives you have touched will never fade. In each of your passions, those who know you will find you again, always and forever. There is nothing in this world, or any other, that can take that away. And the next time we meet - when, not if - the partying will be hard, and the rocking will be righteous. That's the only proper way to be. That's the promise to be kept... and if anyone wants to challenge that, well... I'm certain you know the two words we got for 'em.*

“ Dear Mr. & Mrs. Klewitz,  
I had the pleasure of hiring Billy as an intern at WALB-TV. He was such a fine young man, always so pleasant and friendly. Billy had such wonderful dreams and plans. My heart breaks that his life was cut so short. After Billy completed his internship at the station, I continued seeing him a couple of times a week at Winn Dixie. Frequently, and without thought, I found myself looking around for him when I walked in. I always enjoyed chatting with him. I, like so many others, am deeply saddened by his death. Your pain surely defies words. Please know that you are in my thoughts and prayers.

“ Bill and Shannon - you are such wonderful parents and good people--it's apparent by how kind, respectful and sweet Billy and Breanna have always been. It was heartwrenching to hear of the tragic loss of Billy. Bill, through you, I followed Billy's amazing survival of melanoma--I prayed for him then and pray now for God's comfort for you and your family and friends. We've been friends since you first came to Phoebe and my sister, Betty Ann, has worked with and thinks highly of Shannon. Many of us in the Phoebe family are grieving with you. I wish I had enjoyed the pleasure of hearing Billy "pick the guitar." God bless you all.

“ We did not really know Billy personally. We shopped at Winn-Dixie. Billy often helped us in there and we knew one another's faces. We were so upset to hear about the accident. Billy was such a pleasant, helpful young man.

We cannot begin to imagine the pain you are experiencing right now. May time ease your pain. May your memories bring you comfort. May you also draw comfort from the promise held out in the Bible at John 5:28, 29: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." What a wonderful prospect to know that we will once again see our loved ones in paradise earth.

Our hearts go out to you.

“ Dear Klewitz family,

*The news of Billy's death shocked and sadden the entire Albany Tech family. I'm the college Public Relations director, and I encouraged Billy to get the internship with WALB. I would see him often around campus and at Winn Dixie, and I always looked forward to hearing an update on his internship and his band. He will be dearly missed. You'll be in my thoughts and prayers.*
