“ I was saddened to read about Sam's passing, and to realize the grief suffered by the McGlammery family. You will never know how I appreciated your friendship and acquaintance when I lived and worked for the G.B.I. in your area. I will remember you in prayer. By the way, Pete, I want to complain about that lawn mower you ordered for me...I can't wear it out! She's still working like new, since 1978. I think of your family often, and have wondered how you were. Respectfully, Paul Loggins, Retired GBI

“ Brenda, I will always remember Sam's smile when you brought him into the Dental office to see me. We would sit and talk while you helped your Dad. I will always remember that. I no longer work there. 30 years are enough. With all my love June

“ I just want ya'll to know that Sam was my best friend even though we didnt spend as much time together in the last couple of years as we should have. I have so many wonderful memories of Sam. He was loved by everyone and he also touched everyone that came to know him. He had such a kind heart and I know he is in heaven watching over all of us but especially his mom and pop. I am always here for ya'll. You are both in my prays and I love you.
