“ I met Ricky in late 1994 when he moved to Toccoa, GA. Ricky and I worked together and became good friends. He was a very special person. Unfortunately, I lost touch with Ricky in 1997, but thought of him often. I am sorry for your loss - I will miss him.

“ Where did time go, seems only yesterday we were running and playing in the fields of South Georgia. Your laughter, your jokes, your beautiful smile will all be missed. We lived far from each other but I kept you always in my heart and my thoughts. I always enjoyed the trips back home and the visits with you, never realizing they would be shortened by fate. You are safe with God now and your troubles are over and I know one day we will again walk together on the grounds of Heaven and I will enjoy your sense of humor and your kind words. I Love you Ricky.
