“ *Mary, I was so sad to hear about the loss of your husband Billy. I always thought he was so sweet checking in on you while you were taking my classes at the Y. I know everyone in class would like to tell you how sorry they are for your loss. You and your family will be in my thoughts and prayers during this difficult time. I sure hope that we can all be back together in class in the future. Julie Michas and all the members of the classes at the YMCA*

“ *Mary and Krista, you are in my thoughts and prayers during this difficult time. I have missed seeing y'all at the mall. Billy was so nice to me when we worked together, he even took up for me when there was a misunderstanding with a patient and the director and I have never forgotten. May God send you the comfort during this time.*

“ *Mary and Family, I am so sorry for Billy’s passing. He was such a special person... I will miss him!*

Lord, at the moment nothing seems to be able to help the loss the Rogers Family feels.

Our heart is broken, and our spirits mourn Billy’s passing.

All we know is that Your grace is sufficient.

This day, this hour, moment by moment, we choose to lean on You for when we are at our weakest Your strength is the strongest.

We pour out our grief to You And praise You that on one glorious day when all suffering is extinguished, and love has conquered, We shall walk together once again as brothers in Christ. Amen!
