“ I met Lester in 1960 in Valdosta, Ga. He and I worked together for several years. On the night of August 12, 1960, Lester sat at the hospital with me while awaiting my first child to be born. How coincidental that today, August 12, 2006, he is laid to rest. I always found him to be a true friend. My wife and I send our sincere condolences to Daryl and the family. Please know that our thoughts and prayers are for you and the family during this difficult time.
