“ *I was so sorry to hear about Billy. I had not seen him in many years but when I knew him at Tri State Tractor he was extremely kind and helpful to me. He taught me many aspects about selling and I attribute a great part of my success to him.*

“ Dear Beth and Family,
My thoughts and prayers are with you at this time. Through the past few years I have grown to know how important Family and Friends are to one another. This is a quote by John Donne, "When one man dies, one chapter is not torn out of the book, but translated into a better language-one that resonates with life". Though he is gone from this life, may this new page be filled with loving memories.
Love,
Kay and DeWitt Hayes
