“ Sheila & Wayne,

I just read on-line about your Dad passing away in 06...sorry I didn't know sooner, but just wanted to extend my sympathy to you two and your families.

Don't know if you remember me, but I was your Dad's Secretary at Vinson Investments for 10 years--from 1962 to 1972. I have some wonderful memories of those years and what a great man Mr. Vinson was to work for. I remember your visits to the office and how proud your Dad always seemed of both of you and his Grandchildren. Would love to hear from you if you'd like to e-mail me. I know it's unusual to have the Guestbook signed after such a long time, but I did not know until now.

Mr. Vinson was so very respected in his Profession and I'm sure he's been missed by all who knew and loved him.

I pray for God's comfort and peace for all of his family.

God bless each of you,

Becky and Ray Carlton

“ Dorothy, I don't know if you remember me but I had an insurance agency in the office that adjoined Bill's investment agency office in Albany. Thought a lot of Bill and am sorry to hear of his death. My best to you and family during this time.
