“ Dear Jenelle, Debbie, and Robert,  
I am at a loss for words. We loved Bob so much. The first name our little one learned to say was "Bob."  
Jenelle, we love you dearly and grieve with you in spirit.

“ My every memory of my Uncle Bob is sweet. I can only hope he knew just how much the love and kindness he gave me as a child ment to me. I have never known a finer roll model. I know his heart was pure and always guided him to do the right thing. One only need to witness the special way he had with his dogs to know he was not an ordinary man. We love you and we'll keep you in our hearts.
