“ It has been just a little over a week since you were laid to rest. There is not a day that I do not think of you and your family. I lift up prayers for Bobbie and your family that God will give them the strength to face the tomorrows without you. It does not seem possible that you are gone and you never will be in my heart. Our family of five is now two it is hard for me to no longer have each of you here but God in His mercy helps us to look forward to our homecoming with you, mother and daddy instead of being in sorrow all the time. I will miss you and I know your family will. I know mother and daddy was there to greet you. Love you big brother,

“ I met Billy after he retired from P&G and started the Chain Company. I had a good working relationship with him as he supplied parts to my lines. As others have already said, he was one of the nicest people I have ever met. Always in a good mood, always had a smile for you. I will pray for each of you for comfort and guidance in this trying time. May God Bless you all.
