“ *It's with a heavy heart I send condolences to my friend of 65 years. You and Bill were in love from the first time you met. Oh the memories I have of y'all. I won't be able to make the funeral as I am healing from 4 broken ribs. I love you and please know y'all are in my prayers.*

“ Mary, so very sorry to see this news. My prayers are with you and the family. You and Bill always made such a beautiful couple, because you look like a very loving couple. Although we did not see each other very often, we have been friends a long time and my heart goes out to you.
