“ *Bobby and I were class mates at Albany High School and Brother Masons and Shriners. I hardly ever got to see Bobby after graduating from High School due to where I lived but I often thought of him as a friend in need had I ever needed him. He is gone on to be with our HEAVENLY FATHER and I know that we will meet again one day. He will be missed by all that knew him.*

“ *My husband & I have had the PLEASURE of knowing this man and enjoying his laughter, his laid back attitude and his enjoyment of just about anything.. We will miss him deeply.. The avid "Dawg" fan that he was, he would join Sylvia (Bo's sis) to visit us time to time to partake in the annual GA vs. FL game in Jax and spent many golfing hrs. w/Bo in/'round Albany. He was a sweetheart & will be missed.. our hearts are with his children. Sincerely, Bo & Lisa Lewis*

“ Bobby was such a special person. We have known him for many years and loved him from the first time we met him. He was always there with a kind word when you needed it. He was a special person in the life of our son also, always throwing a ball or entertaining him in some way to keep him out of trouble. He will truly be missed by us and many many others. Our thoughts, prayers and deepest sympathy are with all of you.
