“ Dianne, my heart goes out to you during these days of remembering your Mother and celebrating her life. You have been a dedicated daughter, friend and compassionate caregiver to your Mother as she ended her earthly journey. I admire the strength and courage that you have shown and the fact that you never complained one time during these past couple of years. Your Mother is in a better place now, her suffering is over and she is at peace. I hope that your thoughts will always focus on the happy times when you are missing her.

Please know that many caring thoughts are with you and I am honored to call you my friend.

*Sincerely,
Jody Lane*

“ GOD has taken Mrs. Key from this earth, but the memory of this wonderful lady lives forever in the hearts of all who were privileged to know her. Dianne, my friend, cherished her mother, and is blessed with the same fine qualities. Be comforted, Dianne, in the warm thoughts of Mrs. Key's motherly love and remarkable life.

“ Joanne and family, you are in our thoughts and prayers. She looks so much like Edith (Grandmother Roper). I remember the last time I saw her at Grandmother Roper's funeral in NC how she was so sweet and so interesting to talk to. I know she will be missed. God bless. Jennifer, John, Ashley and Carter
