“ *Dot,  
Having lost my mother in September of last year, I understand your pain during this very difficult time in your life. Please accept my condolences for the passing of your loving mother. My prayers are with you and your family and I know that He will give you the grace you need in the days ahead. Lean upon the strong arms of our Heavenly Father and He will lift you up.*

*Sincerely,  
Joel*

“ Dot,  
*We are sitting here in the library looking at your mother's picture and thinking about you. She has such a kind face and we're reminded of your kindness to each one of us. What a blessing for you to be with her doing her final moments. God bless you and your family...*
