“ *I never had the good fortune to meet Grady, but I had the pleasure in the last couple of years of working with his daughter Courtney. Only a very fine man could have raised such a lovely, caring, truly good daughter. I am very sorry to hear that your family has lost him far too soon.*

Please know that all of us here in California are keeping you in our thoughts. Our hearts go out to you, and we wish you all love and support as you grieve.

*With love,
Rose White*

“ I was very sad to hear of Grady's passing. It was an honor to have known Grady. I worked with him in the 70's and 80's. As a young man just starting out in life Grady was a very positive influence on me. His honesty, integrity, loyalty, love of family and God, and his good ole down to earth demeanor was a true light in my life. Grady stood behind me at a time when he could have just washed his hands of me. However, at some risk to him and possibly his career, Grady spoke up for me. It became somewhat of a turning point in my life and I will be forever grateful. I wish the best for Debbie and the rest of Grady's family. With love and much sorrow, Bubba Redding

“ I was shocked when I heard the news of Grady's passing. I had just spoken with his brother several weeks back and asked how he was doing. Grady graduated with me on June 01, 1964 from Dublin High School. Throughout high school he worked closely with me on subjects I was having a lot of problems with. He was a very good friend even though following graduation he went to Georgia and I decided upon Auburn. I probably would not have made it there without his help. He was fun, spiritual and I never heard one bad thing said about anyone. Grady had a calming effect. If you ever knew him, you are a much better person for the association. My wife and my heart goes out to Peggy, Marcy and his wife and Grady's family. We shall all miss him, but moreover this world has lost a great man with a tremendously big heart. I am most sure that he will be a very busy angel in heaven...for he was such here on earth. We shall miss him dearly.

“ I know family and friends are broken hearted with the loss of this wonderful man who meant so much to them. I've heard of his many talents and what a loving family man, friend, and mentor he was. I pray all can find comfort during this dark time by remembering his bright spirit.
